Date:-07-08-2018

MINUTES OF MEETING

The IIIC members meeting was held on 07-08-2018 and the following resolutions are:

Objectives: To explore and identify common avenues of interaction with industry as per requirements of the institution.

Scope: All the Institution covered under the project will form Industry-Institution-Interaction Cell (IIIC) to establish purposeful interaction between industry and institution.

Strategy: IIIC will be Responsible for designing the road map for interaction with industry recognizing the inherent strength as well as the weakness of Institution.

Suggested activities under IIIC:

1. To identify and facilitate guest lectures, interactive workshops, conferences, seminars, brain storming sessions, technical discussion etc., with members of the industry, outside experts, eminent personalities at regular interval.
2. To conduct industrial training, orientation courses, industrial visits etc. for faculty and students at regular intervals.
3. To facilitate collaborative research work, consultancy involving faculty and students.
4. Also deployment of faculty from institution to industry for gaining industrial experience and or work on projects in industry.
5. To promote revenue generating activities for the institution like providing lab testing facilities, calibration, consultancy and R&D etc.

ABRCET/IIIC/2022-2023

Date:-11-07-2022

MINUTES OF MEETING

The IIIC members meeting was held on 11-07-2022 and the following resolutions are:

Objectives: To explore and identify common avenues of interaction with industry as per requirements of the institution.

Scope: All the Institution covered under the project will form Industry-Institution-Interaction Cell (IIIC) to establish purposeful interaction between industry and institution.

Strategy: IIIC will be Responsible for designing the road map for interaction with industry recognizing the inherent strength as well as the weakness of Institution.

Suggested activities under IIIC:

7. To identify and facilitate guest lectures, interactive workshops, conferences, seminars, brain storming sessions, technical discussion etc., with members of the industry, outside experts, eminent personalities at regular interval.
8. To conduct industrial training, orientation courses, industrial visits etc. for faculty and students at regular intervals.
9. To facilitate collaborative research work, consultancy involving faculty and students.
10. Also deployment of faculty from institution to industry for gaining industrial experience and or work on projects in Industry.
11. To identify continuing education opportunities, short term programs and training needs of the industry, which the institution can provide.
12. To promote revenue generating activities for the institution like providing lab testing facilities, calibration, consultancy and R&D etc.
